

The logo consists of the letters 'KEC' in white, bold, sans-serif font, centered within a dark blue rectangular box with a thin white border. This box is positioned in the upper right quadrant of the page, overlapping a large, stylized blue circular graphic that features concentric, overlapping circles in various shades of blue, creating a 3D effect.

KEC

K Education Centre

A large, light grey watermark of the text '© K Education Centre' is oriented diagonally across the page, from the bottom left towards the top right. It is semi-transparent and serves as a background element for the document.

KS3 Year 7 Science

Chemistry – Acids and Alkalis

Assignment Questions

Acids and Alkalis

Q1: What is an alkali? Give example.

Q2: What is an acid? Give example.

Q3: What does PH scale suggests about a substance.

Q4: Give the name of any three acids and alkalis.
